

i-Line Filter Warranty Policy

January 1, 2000

1. Warranty

The VENTEX i-Line Filter is warranted not to degrade more than 10% within two (2) years from the date of purchase. A full credit or replacement will be provided if the filter degrades more than 10% within two (2) years from the date of purchase.

2. Return Policy

The filter in question must be returned to VENTEX with a RMA# and no physical damage. A scan of the filter will be performed and the data obtained will be compared to the original scan issued with the filter. The comparison of the two scans will determine if the filter meets the standard specification. The customer will receive a copy of the scan data for review.
